About the Film
We tweet, we like, and we share— but what are the consequences of our growing dependence on social media? This documentary-drama hybrid reveals how social media is reprogramming civilization with tech experts sounding the alarm on their own creations.

My Beautiful Broken Brain

March 23, 2021 • 8:00-10:00PM

About the Film
Follow along 34-year-old Lotje Sodderland’s personal voyage into the complexity, fragility and wonder of her own brain following a life-changing hemorrhagic stroke. Regaining consciousness to an alien world - Lotje was thrown into a new existence of distorted reality where words held no meaning and where her sensory perception had changed beyond recognition. This is a story of pioneering scientific research to see if her brain might recover - with outcomes that no one could have predicted.
